

FOR SALE

Junior 1000 spec Toyota Aygo 1000cc rally car

The car has been used by Lewis Haining for the 2016 and 2017 Junior 1000 Ecosse Challenge and has been on the podium most of 2017!

The car was built to the highest possible spec with in the Junior 1000 regulations and has been highly maintained on each event

The car was professionally built by Ram Sport for Ryan Weston in 2012 and used by Mikey Dickie in 2014 and 2015.
