

## FOR SALE – J1000 Spec Junior Rally Car

Built in 2015 and previously used by the J1000 Championship and Knockhill TeenRally for training.

Just completed the 2018 season

2000 registered car with the coil pack engine and box.

An excellent starter car with all the right rally bits on it: -

Safety Devices cross diagonal cage with door bars

Handheld and plumbed in fire extinguishers

GAZ competition suspension all round (height adjustable coilovers on front with rose jointed alloy topmounts, adjustable telescopic on rear)

Custom Stainless exhaust 6 months old

Green filter induction kit

Brake pipes and fuel lines routed inside car

Mintex M1144 front brake pads

Alloy sump and Kevlar Tank guard

Sparco Seats and TRS Belts dated 'til 2023

Massive spares package (almost a full car in bits – panels, glass, lights, gearbox, drive shafts etc.. too much to list)

**£2750**
