

CITROEN C1 JUNIOR RALLY CAR

Due to moving up to a Fiesta R2, we are now selling Fraser's event winning Citroen C1 from the 2019 Junior Ecosse Challenge.

The car was prepared over the winter to make it competitive for the 2019 season, however the opportunity to move into the Fiesta R2 arose and we have decided to concentrate on that rather than continue in the Juniors.

Detailed below is a brief spec of the car:-

Low mileage engine

Harry Hockley engine mounts

New exhaust

New Bilstein shocks (2019)

New Revolution wheels (Nov 18)

New Sabelt harnesses to 2024

Motamec seats to 2023

New fire extinguishers

Available spares include:-

Engine, gearbox, AVO shocks, driveshafts, wheels, spare tyres (used)
